

Date:

Dear

The Auxiliary to Sons of Union Veterans of the Civil War congratulates you on earning the Girl Scout Gold Award!

Your accomplishment represents numerous hours of hard work and dedication. You have become a role model for younger Girl Scouts and hopefully many will have the same empowering experience as you.

The purposes of our two organizations are the same in many ways. We strive to keep alive the memories of our ancestors and their sacrifices for the maintenance of the Union; to care for helpless and disabled veterans; to properly observe Memorial Day; to instill true patriotism and love of country; and to spread and sustain the doctrine of equal rights, universal liberty and justice to all.

It is because of these similar ideals that we take great pride in your earning the highest award in Girl Scouting, the Gold Award. Please accept the accompanying certificate in recognition of your accomplishment!

Sincerely,
