

From the Desk of

National President Ramona Greenwalt
Auxiliary to Sons of Union Veterans of the Civil War

April 10, 2018

At the 126th National Encampment, August 10-11, 2012 at Los Angeles, CA it was voted that:
"All recommendations are to be sent to the National Secretary within two weeks of the close of a Department Encampment. They will be posted on the National Auxiliary website prior to the National Encampment for all Sisters to consider for voting."

I am asking all Department Secretaries to please see that the National Secretary receives your recommendations within this time frame. It is too much to expect her to have this all done in a timely manner when everyone waits until they think it is a good time to send in the information.

To all National Committee Chairs:

I hope before now you have contacted your committee members and have nearly completed your work for the National Encampment. If you haven't begun or it is taking longer than anticipated, I would ask you to redouble your efforts. Committee members, if you haven't heard anything from your committee chair, please contact them. Each committee has a specific function and purpose for being created. We need the results of the work you have been doing. The committees wouldn't exist if they didn't have a purpose. Some are only for one year which means it is vital for you to conclude your work.

I hope to see many Sisters at the National Encampment where friendships can be renewed and new ones formed and where peace and harmony will preside.

In Fraternity, Charity and Loyalty,
Ramona Greenwalt, National President, ASUVCW
