#### REPORTS

Will all of our Sisters help to make this a good reporting year. Much work is done in our Departments which is never reported, it only takes a little time to send in “Reports” and it means so much to your Chairman.

#### PRESS BOOKS

In Departments where I have been visiting, I find there is a great deal of interest in the Press Book contest. It will be interesting to see which Department wins the prize for having the most news in the papers, think of the good it will do our Organization publicity wise.

## DEPARTMENT AIDES

Will the Department Presidents who have not sent in the names of the Sisters who served as Auxiliary Presidents during 1959, please do so at once. It was with deep regret, we learned too late to be included in this order, of the recent death of Sister Chrystel Powell of Indianapolis, Indiana.

Sister Powell has served the Order long and well, in her local Auxiliary, the Department and the National Organization. She was elected Department President of Indiana in 1948, and served as National Secretary from 1953 to 1956. She died January 5th in Newport, Virginia, where she had recently been living with her son, and was buried in Connersville, Indiana.

To her family, her many friends and the Department of Indiana, we extend our warmest sympathy.
