SAVE AMERICA—PLANT A TREE

My sincere thanks to all for the many cards and greetings sent to me during the Holiday Season. They were deeply appreciated.

Let us as true Americans publicize the fact that we are proud of our heritage, let us each put forth a little more effort and make 1973 an outstanding year in our organization. It is important that we try to increase our membership for the continuation of our organization.

Congratulations and best wishes are extended to the newly elected officers of each Auxiliary. May God bless you with good health and strength to carry on your work for this year of 1973. The appreciation and thanks of the National Organization is extended to all who served so loyally and faithfully during the past year.
