CONCLUSION

To my Commander-in-Chief John C. Yocum, it has been a pleasure serving with you this year. Being fellow Pennsylvanians has made our association very pleasant. The many Department Encampments and Official Visits we have made together and the thousands of miles traveled together will always be a treasured memory. My sincere thanks for the many courtesies and cooperation given me this past year.

To Margaret Orr, National President of the Ladies of the G.A.R., Harriet Gould, National President, Daughters of Union Veterans and Josephine M. Keeba, National President, Women's Relief Corps, it has been a pleasure serving with you this year. Sincere best wishes are extended for a harmonious and successful encampment to each of you.

To my Official Staff, it has been a pleasure serving with you this year. I look forward to the coming National Encampment when we will meet in Palm Springs, California.

My deep regret was that it was impossible for me to attend every Department Encampment, but the dates overlap, and distance between states is too great. I am very grateful for the Department Presidents who arranged special meetings.

This being the last general order issued by me during this administration, I wish to express my sincere thanks for the honor of serving our organization this year, and for the many courtesies extended to me this year by the Department Encampments and special visits that were held for me.

Yours in F.C. & L.

Viola L. Bremme
National President

National Secretary
