## AUXILIARY TO SONS OF UNION VETERANS OF THE CIVIL WAR DEPARTMENT CHARITABLE ACTIVITIES REPORT

### INSTRUCTIONS

1. Collect the Charitable Activities Reports of the local Auxiliaries in your Department. The date required by your Department for submission of the local Auxiliaries' reports is up to the individual Department, but should be set early enough to allow you to compile this report for submission to the National Committee on Charitable Activities by June 30<sup>th</sup>.
2. Record your Department's name and the period covered by the report at the top of page 1.
3. Tally the individual charitable categories from the reports of your local Auxiliaries and carry the combined totals over to this report.
4. Tally the total value of the donated time and materials and indicate the results in the "Grand Total" sections.
5. At the bottom of page 1, records the names and/or numbers of the local Auxiliaries from which you received reports.
6. At the bottom of page 1, record any special or unusual charitable projects in which the Department or local Auxiliaries participated.
7. Submit the completed report to the National Committee on Charitable Activities by June 30<sup>th</sup>.

---

<sup>1</sup> Value for volunteered hours is set at the Federal Minimum Wage (as of July 24, 2009) of \$7.25 per hour.

<sup>2</sup> The standard mileage rate for the cost of operating a car for charitable purposes is 14 cents per mile, as determined by the Internal Revenue Service.
