Candidate for the Office of National Council Auxiliary to Sons of Union Veterans of the Civil War

June 10, 2024

Greetings Sisters,

Please accept this letter of intent for my candidacy for the office of Auxiliary to Sons of Union Veterans of the Civil War (ASUVCW) National Council.

My journey to becoming a member of the Auxiliary to Sons of Union Veterans of the Civil War began with Br. Sam Gant, PDC Department of Tennessee. Br. Gant for a long period wanted an Allied Order to help the Department engage the wives of the brothers and other women who had an interest in the American Civil War. He was looking for a group to welcome non-lineage proven ladies and direct descendants.

Commitments with other hereditary organizations and my family delayed the effort to start a group. In 2022, I began researching the membership requirements of the various Allied Orders in earnest. This work led to me becoming a Member-At-Large in July 2022 and my attendance of the National Encampment in Grand Rapids MI, where I was initiated.

After being initiated, I began the work of establishing the Joseph H. Rider #62 National Auxiliary-at-Large. I am currently on my second term as President of Joseph H. Rider #62. It is set up to service the entire state of Tennessee and currently has Sisters that are associated with four of the SUVCW Camps. We were honored to be chartered by PNP Sister Allison Pollitt at Shiloh, TN.

At the last National Encampment, I was honored to appointed National Chief of Staff. I have spent the past year developing and growing our local Auxiliary, and doing my duties as National Chief of Staff. My fundraising project has partnered with Wreaths Across America. To date, we have secured >\$3000 in funds for the Order. As important, Shiloh National Military Park Cemetery has a commitment of >600 wreaths and we are very likely to hit my personal goal of 1000 wreaths for the cemetery this December.

Attached are some additional details of my history of service.

I hope I can have your support as I seek National Office.

In Fraternity, Charity and Loyalty,

Julie A. Boley Huttick
