

I would like to add my name for National Patriotic Instructor. No one stepped up last year so I decided to help in the position. Now I feel like I understand this position and would love to do this one more year! I've been selling a lot of the 250th pins which will be at our National Encampment in Gettysburg! We have lots of other things that'll be great gifts for Christmas!

I'm known for my Patriotic Wearing as I belong to DAR (Daughters of the American Revolution), Valor (Veteran and Loved Ones Resources), American Legion Auxiliary, Jackson County Genealogical Society (Researcher mainly) and ASUVCW!

I'm active in our Austin Blair Camp 7 as I'm running for Vice President this year.

I'm looking forward to another great year ahead..

Respectfully Submitted,

Nancy Patton
