

The State of Michigan would like to endorse Nancy Patton, Austin Blair #7 Auxiliary, Department of Michigan for office of National Patriotic Instructor for a second (2nd) term. When a Patriotic Instructor was needed in 2025 after the National Encampment, Nancy stepped up to fill the office.

Nancy has been in the Auxiliary of Austin Blair #7 for over 3 years. The offices she has held locally are Austin Blair photographer and Patriotic instructor. Nationally she is now the Patriotic Instructor and would like to fill that office again.

A little history on Nancy..... She was a single mom of 3 children. She was a Dental Hygienist for over 30 years. She worked on an Indian Reservation in Minnesota and has had many other jobs.

Currently, she is a genealogy researcher, works with many veteran's groups (American Legion, VALOR-Veterans and Loved Ones Resources), drives veterans to appointments, and helps them do paperwork to get their VA benefits.

Thank you for your consideration.

In Faith, Charity and Loyalty
