Summer 2021

FROM THE NATIONAL PRESIDENT —

It's hard to believe that our National Encampment is almost here and we will actually be able to meet together in person again! It's been a long season and a long, hard, cold year and a half. Many of us lost friends and family to COVID-19. Many spent months in isolation. It has been a historic time for most. I never would have imagined that I would spend two years as National President and not attend events and get to meet many of you. Thank goodness we had the technology to hold virtual encampments and meetings. They have been our saving grace to accomplish some of the work of the Order.

Now we are coming out of the darkness. Things are opening up and events are being scheduled. Our spirits are lifting and people are looking for places to go and things to do. This presents us with wonderful opportunities to carry out our mission and let people know who we are and why we exist.

Recommit, Refocus, and Rebuild....

If you have not registered yet for the National Encampment – please do so right away. I look forward to seeing you there!! After this lengthy time apart and inactivity, I want us all to take a little time to **Recommit, Refocus, and Rebuild** during this National Encampment. We need to recommit to our organization and to each other; to refocus on our purpose and our mission, and to rebuild our friendships and our membership. We will lay the groundwork to begin again and climb higher. Together we can soar!!

Back to our Mission....

I had the opportunity to participate to two wonderful events over Memorial Day weekend. One was our annual Memorial Day service at Spring Grove Cemetery in Cincinnati, Ohio. It is the 2nd largest cemetery in the nation and our service is always held in the Civil War section. We had a great turnout and the weather was perfect. I always have a fun role – I talk about the history of “scattering flower pedals” on the graves and then we invite the public to do just that. It's very popular. This year, my 7 year old grandson and Junior Member of the Lytle Camp, SUVCW placed a wreath with his grandfather. He insisted on carrying the wreath himself. The other event was a headstone dedication for two Civil war soldiers who fought in the 27th USCT. It was so great to get back to doing events like this one!!

I want to thank you all for giving me the opportunity to serve you as your National President. It turned out very different than I expected but it has certainly kept me busy. Looking forward to seeing you in August.

Historian's Reflections

FRATERNITY, CHARITY, LOYALTY

These three simple words defined the principles of the Grand Army of the Republic. These three words served as their motto. Hearing these three words, kindled the spirit of greatness and was breathed into the Allied Orders by inheritance.

FRATERNITY refers to the brotherhood our Civil War ancestors felt toward the men with whom they served. It was because of the great dedication of their patriotism that we set aside days of remembrance to perpetuate their heroic deeds, sacrifices, and the preservation of our nation – especially Memorial Day, Lincoln's Birthday, Lincoln's Death Day, and Appomattox Day.

CHARITY refers to The Grand Army of the Republic adopting their principles from President Lincoln's second inaugural address, "to bind up the Nation's wounds, and to care for him who shall have borne the battle, and for his widow and orphan." The many works our members do to ensure the principles of caring for the needy veteran, widow, and family members are addressed as well as keeping the memory of our Civil War veterans true through teaching U.S. Civil War history, marking, decorating, and maintaining Civil War headstones, monuments and battle sites.

LOYALTY refers to being loyal to the United States Constitution and its flag.

Those three words offer each of us the opportunity to participate in our Order to conduct the many needed services of our nation in the name of our organization. How have you participated in this venture? Have you visited a veteran, dropped off personal items at a Veterans Administration hospital, cleaned a cemetery, laid a wreath at a veteran's grave, maintained a Civil War monument, fed a homeless veteran and his or her family, mailed in coupons for soldiers to use while serving, created a quilt, blanket, pillow case, or care package to send to a serving soldier? Have you come up with other ideas and acted upon them? Have you helped our National Patriotic Instructor and Chief of Staff raise money this year? They have an incredible task of earning thousands, not hundreds of dollars, to support our organization. Through the years, our Sisters have stepped up and have been counted on to aid both the Order and our needy veteran. As a member, what will be your legacy?

In Fraternity, Charity, and Loyalty — Danielle Michaels, PNP, National Historian

"Fraternity is the fuel that allows common people to produce uncommon results."

Ecclesiastes 4:9-12 New International Version (NIV) tells us:

Two are better than one, because they have a good return for their labor:

If either of them falls down, one can help the other up.

But pity anyone who falls and has no one to help them up.

Also, if two lie down together, they will keep warm. But how can one keep warm alone?

Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken.

FROM THE NATIONAL PATRIOTIC INSTRUCTOR

Kim Villalva

How different this season looks compared to one year ago! Last year at this time, we were facing a very uncertain summer, not just for our Auxiliary, but also for our towns and communities, for our families, and for our country. My prayers are with all of those who lost loved ones this past year, as well as those who lost jobs and who faced other significant life-changing situations.

Last year, I wrote about how it might be difficult for us to feel patriotic while things were so challenging. But despite what hardships come, that is what we are called to do, and I called on each Sister in our Auxiliary to continue to do her part to ***“inculcate true patriotism and love of country, not only among our membership, but to all people of the land...”***

I want to extend a heartfelt thank to each of you and to your auxiliaries and departments for your creative virtual expressions of patriotism and your perseverance this last year. Whether you donated cards to veterans or displayed your American flags throughout the month of July, whether you joined in a socially distant parade or event to honor and remember our fallen servicemembers and soldiers, or whether you shared a historical program or conversation on Zoom, thank you.

My theme for my work as National Patriotic Instructor has been ***“Enduring Patriotism.”*** And your efforts to educate, to inspire and to honor and remember have shown our beautiful country how much we love it.

In times of crisis, patriotism can unite us. Throughout the last year, the ASUVCW has stood together with support and love, all while we continued to uphold our mission. We, as Auxiliary sisters, know our history and we have a deep respect for that history and all the sacrifices that have been made to make our country what it is.

Challenging times, like the Civil War, were just that—challenging. Our ancestors knew this. Our Boys in Blue knew this. And we know this today as we reflect on the challenges of the last year.

Patriotism has always endured. It endured through the storm of the pandemic and it will continue to endure as we move forward to a more “normal” time that we are all eager to find again.

As we get into the summer months, I would like to ask for your support with a few endeavors that will contribute to ***“Enduring Patriotism”***:

1. Please display your American flags throughout the month of July. What seems like a small action, has the potential to make a significant impact for all who see them flying.

2. For those of you who will be joining in festivals, parades, and historical events this summer, use this time to share your love for the Auxiliary! Show your patriotism through a new display or maybe find a new way to talk about an older display in order to freshen it up. Enjoy and have fun!
3. Please support our fundraising efforts for the National Patriotic Instructor. Don't forget our social media presence—please follow our various Facebook pages, including for National Patriotic Instructor. There are videos and inspirational historical posts as well as a countdown to National Encampment AND a new program being announced for this summer! Following and sharing our posts also really helps to increase our visibility and that is what we want and need!
4. Lastly, get ready for a NEW workshop at National Encampment in St. Louis! More details to follow!

Sisters, I have been so honored to be on this patriotic journey with you. And I sincerely thank you for the honor of serving as your National Patriotic Instructor this past year.

In Fraternity, Charity, and Loyalty,

Kim Villava, National Patriotic Instructor

FC&L Sisterhood Tributes

As you know every year we raise money for the National Patriotic Instructor's activities—of which include donating to a non-profit that is selected for that year. Even though we are not able to hold this year's National Encampment, we are still raising funds for the selected non-profit organization.

One of the fundraisers I am doing is called "***FC&L Sisterhood Tributes***" and it is very easy to do in the virtual environment we find ourselves in right now! Read on for how you can participate and help raise money for the National Patriotic Instructor's funds!

FC&L Sisterhood Tributes honor our very own Auxiliary sisters.

Fraternity, Charity, and Loyalty.

We each hear these words when we are initiated into the Auxiliary. They are in written correspondence between sisters. Did you know that these three little words can also be found on grave markers for veterans?

Three little words. Three very big meanings.

Fraternity is what we experience when we join the Auxiliary—we share a common interest in the Civil War, patriotism and community involvement. We have cherished friendships throughout the Auxiliary, nation-wide. Auxiliary sisters are so generous to reach out and help the needy or suffering in our communities, we are no strangers to Charity. And lastly, Loyalty. We work together to generously support our country through remembering our Civil War veterans, teaching patriotism and giving back to the community in numerous ways. We are loyal to our country, our flag, and to preserving the memory of our Boys in Blue.

FC&L Sisterhood Tributes are a beautiful way to honor special sisters this year by making a donation to our Patriotic Instructor's fundraiser in their honor. When you make a donation of just \$5, the sister you are honoring will receive the exact message you have written in a special card acknowledging that a donation has been made in her honor. She will also receive another small memento. If we were meeting in person at Encampment, she would have ***FC&L Sisterhood Tributes*** denoted on her nametag.

Below is an example of the letter the sister you are honoring will receive:

“(Donor Name) made a donation in your honor to the National Patriotic Instructor’s Fund for the Auxiliary to Sons of Union Veterans of the Civil War. You inspired (donor name) to give in support of the Auxiliary’s mission, vision and values. (Donor name) honors the beautiful example of fraternity, charity & loyalty that you have shown by service to the Auxiliary, to your community and to our country.”

I am so excited to launch this new fundraising tradition! You don't have to wait to attend National Encampment 2021 to take part. You can give (or receive!) a tribute now! Paying forward this honor to a fellow Auxiliary Sister you love is simple.

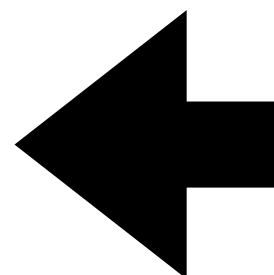

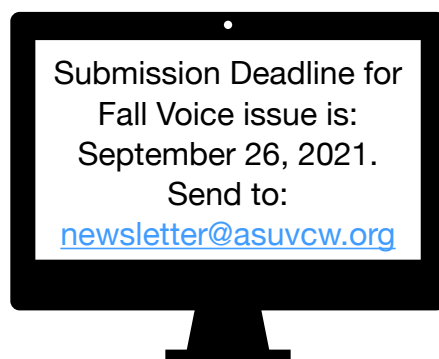

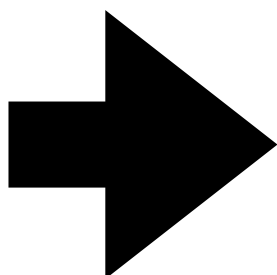

When you give an ***FC&L Sisterhood Tribute***, you're supporting our National Patriotic Instructor's Fund by providing much needed funds to give to a non-profit organization. ***FC&L Sisterhood Tributes*** begin on June 15, 2021

To honor an Auxiliary Sister(s), please go to our website for detailed instructions. You can order ***FC&L Sisterhood Tributes*** now through August 1, 2021.

Thank you so much for your support!

Kim Villalva

A Word of Explanation regarding the SUVCW Eagle Scout certificates:

The rank of Eagle Scout may be earned by a Scout who has been a Life Scout for at least six months, has earned a minimum of 21 merit badges, has demonstrated Scout Spirit, and has demonstrated leadership within their troop, crew or ship. Additionally they must plan, develop, and lead a service project—the *Eagle Project*—that demonstrates both leadership and a commitment to duty. After all requirements are met, they must complete an Eagle Scout board of review.

On October 11, 2017, the Boy Scouts of America announced that in 2019, a program for older girls would begin to be available, enabling girls to earn the rank of Eagle Scout. Over 2.5 million Eagle Scout awards have been presented in total since 1912. In 2020, the first female Eagle Scouts were added to the Boy Scouts of America.

One of the many goals and purposes of the Sons of Union Veterans of the Civil War is to reward young men (and now also women) who achieve the status of Eagle Scout with a special congratulatory letter and color *Certificate of Commendation*, suitable for framing. When possible, every effort is made by Camp and Department members to present the certificate to the Scout at his Court of Honor, usually wearing the uniform of our Order or a replica Civil War uniform.

Recently, Sister President Wanda Langdon received the following letter from Benjamin Harrison Camp #356:

Greetings Camp President Langdon

Sister Amy Bowyer assists me on every Eagle Scout presentation for Benjamin Harrison Camp #356. We recently present three SUVCW Eagle Scout certificates. Because of COVID-19, these are the first for 2021 we have awarded in person. I understand the SUVCW at the national level has rewording their certificates to be more inclusive of ladies. Attached are the pictures and application information detailing the service hours, projects, etc. for Casey Davidson, Nathan Hummel (Troop 233 Greenfield, IN), and Sienna Huther.

Casey and Sienna are members of the national inaugural class of 2021 Lady Eagles. They are the first Lady Eagle Scouts we presented in person for the Dept. of Indiana. Sister Amy has assisted me for several years during the Court of Honors we attended. Sister Amy is the Committee Chair for Troop 262G sponsored by the First UMC of Pendleton, IN. We are both active with the Boys and Girls troops in Pendleton and surrounding areas.

Respectfully, F, C, & L
